

Thank You

I thank you for your helping hand
for your warm and tending heart
and for the opportunity
to make a brand new start

I hold on to tomorrow and
treat each passing day
never taking for granted
that which can be taken away

I have learnt to count my blessings
never dwelling on the past
and to build a brighter future
with the knowledge from your class

You taught me to be confident
I could do it if I tried and
taught me to have the courage
to take everything in my stride

You're such wonderful tutors
for all it's plain to see
I just wanted to let you know
just how much you have meant to me
